Report of Committee on County Health Unit Plan.

To the Warden and Members of the County Council of the County of Norfolk:

Gentlemen: We, your Committee appointed to investigate the advisability of establishing a County Health Unit in the County of Norfolk, beg leave to Report as follows:

We have studied the County Health Unit Plan as recommended by the Department of Health and find that it has a great deal to commend itself to us for safeguarding the health of the rising generation.

While the Nursing Service is supplied by the County Council, the direction of the Service is in the hands of the Medical Officer of Health for the Municipality who shall be appointed as School Medical Officer by the Municipal Council. This procedure is to ensure that there will be Medical Inspection of the Pupils as well as Nursing Service. It is presumed that it may be necessary to make adjustments in the Salary paid to the Health Officer in view of his added responsibilities.

We find that owing to the call into the Armed Services of our Doctors that many of our Medical Officers of Health are overworked in their larger field of Medical care to their Community and would be unable to undertake the added duties under this Plan.

We also find that owing to the demand for Nurses in the Armed Services and our Hospitals, that qualified Public Health Nurses would be extremely difficult to procure.

We are given to understand that our newly elected Government is planning a much broader system of Public Health Service, the details of which have not been made public.

We therefore recommend that no action be taken in the County Health Unit Plan until conditions become more settled.

All of which is respectfully submitted.

C. L. HALL, Chairman.
GEO. W. MUTRIE,
JAMES MOORE.

Report of The Committee of The Whole.

To the Warden and Members of the County Council of the County of Norfolk:

Gentlemen: Your Committee of the Whole begs leave to report as follows:

1.—That no action be taken on the Resolution from the Township of Saltfleet re Sugar for Canning Fruit.

2.—That no action be taken on the Resolution from the County of Elgin re "That the Federal Government be requested to freeze Farm Labour."

3.—The Resolution from the County of York re Raising the Ceiling Price on all Farm Products in keeping with the farmers cost of production and in order to permit the farmer to secure farm labour by paying a rate of wages consistent with the wages paid to employers of War Industries, was adopted.

4.—That the Resolution from the Counties of Northumberland and Durham re the Increasing the Government Grants to High, Continuation, and Vocational Schools, be filed.

5.—That no action be taken on the Resolution from the County of Grey re Extending the National Selective Service.

6.—That no action be taken on the Resolution from the County of Wellington re Petitioning the Department of Highways to authorize the payment by the Provincial Treasurer of Subsidy on the Municipal Road Expenditures quarterly after expenditures have been approved.

7.—The Resolution from the County of Carleton re Raising the Price of Cheese from 20 cents to 23 cents, plus bonus, was endorsed.

8.—That no action be taken on the Resolution from the County of Peel re Members of Municipal Councils being given consideration on account of such Membership when applying for extra Gasoline Rations.

9.—That a Grant of \$25.00 be given as a Special Prize for Norfolk at the Red and White Show at Aylmer on October 1st put on by the Southern Counties' Ayrshire Breeders.

10.—That no action be taken on the Resolution from the County of Simcoe re having the Reform Schools at Bowmanville, Cobourg, Galt, etc., restored to their former efficient positions so that the Delinquent Youth of the Province may receive the training and discipline necessary to make them good, dependable and valued citizens.

All of which is respectfully submitted.

CLAUDE RAVIN, Chairman.

Report of the Industrial Home Sub-Committee

To the Warden and Members of the County Council of the County of Norfolk.

Gentlemen : We, your Sub-Committee of the Industrial Home, met on the 29th day of November and beg leave to Report as follows:

60 tons of Stoker Coal has been delivered at the Home and was included in our last report.

The Home is still without a Cook.

The Department of Health of Ontario visited the Home in September to check up on Milk, Cream and Water. The Milk and Cream as to the Bacteria Content was very low, and the tests very satisfactory. The Drinking Water test was "A," which means very good.

Your Committee thought it was about time to make a change as to the Bull at the Home. So we got some prices and sold the Bull for \$160.00, and bought another one for \$105.00, which we thought was good business.

All of which is respectfully submitted.

JAMES MOORE, Chairman.
RALPH E. GOLDING,
GEO. L. WOODLEY.

Report of Special Committee on Post-War Planning.

To the Warden and Members of the County Council of the County of Norfolk:

Gentlemen: Your Special Committee, appointed at the January Session of this Council to prepare a Five-Year Post War Program for the improvement of the County Road System, in accordance with the request of the Department of Highways of the Province of Ontario, begs leave to Report as follows:

It has been necessary to make a complete survey of the County System and the County Bridges coming under the control of the System. The following is a summary of this Survey:

The present County Road System comprises 210 miles of which
3.3 miles are Tar Penetration surfaces, 14' wide with a stone base.
2.85 miles Tar Retread on stone base.
78.4 miles Mulch surface on gravel base.
73.85 miles Double Surface Treatment on gravel base.
3.1 miles Stabilized Road, 6" thick.
2.25 miles Single Surface Treatment on stone base.
.3 miles Cement Concrete, 7" thick.
43 miles Gravel Surface.
20 Standard structures under 10' span and 25 structures not standard.
17 Standard Bridges and 19 Bridges not to standard.

There are 19 County Bridges on boundary lines under the control of the System, none of which are standard bridges.

In constructing the County Roads, all grades were built to the standard required by the Department regulations, but none of the early construction is in accordance with the present standard.

During the last war County Councils were urged by the Provincial Government to adopt County Road Systems to provide work after the termination of the war and as a means of improving transportation facilities in the Counties.

Norfolk County was one of the Counties that took advantage of this and your Committee finds that during the first five years after the end of the last war there was spent on the System a sum of

\$1,200,000. Unfortunately during this period \$420,000.00 Debentures were issued by the County Council to help carry on the construction work of the program. Your Committee is strongly opposed to the issue of any Debentures for any program as approved by this County Council. It should be mentioned that a total of \$800,000.00 of Debentures were issued during the period from 1919 to 1932 by this County on County Roads and Provincial Highways. Your Committee is pleased to report that at the end of this year this Debt will have been reduced to \$60,295.36, of which \$2,866.26 is against County Roads and \$57,429.10 against Provincial Highways in this County.

In preparing this Report, your Committee have not only considered the necessity of providing employment after the war but also the advisability of improving the present County Road System, and certain extensions which we recommend as a means of improving the general condition in the County.

Your Committee desire to point out some of the changes which have developed since the System was adopted in 1917 and which have a particular bearing on the development of the County System.

In 1919 there were owned in this County 1,463 Passenger Cars and 12 Commercial Vehicles.

In 1941 there were 7,620 Passenger Cars and 1,071 Commercial Vehicles owned in the County.

The development of the Shoreline of Lake Erie as a Summer Resort.

The extension and improvement of the Provincial Forestry Station, north of St. Williams, and also in the Turkey Point District.

The general increase of Agricultural Products produced in the County and hauled over the Road System.

The development of the Tobacco Industry in this and surrounding Counties. We are informed by an authority on this industry that over 65,000 tons of materials are transported annually over the roads of this County in connection with the production of Tobacco.

The following is a schedule of the work proposed under this Plan and an estimated cost of the same:

Your Committee further recommend that the following Roads be assumed as County Roads after the termination of the War and considered as a part of the five-year program:

1.—The Road leading from Road Number 9 at the west quarter townline in Charlotteville between Concession 2 and 3, westerly to the townline between Charlotteville and South Walsingham, thence westerly between Concession 4 and 5 of South Walsingham to the townline between South Walsingham and Houghton and thence westerly to the Village of Fairground connecting there with Road No. 7.

2.—The Road leading from the north end of Road No. 18, being the townline between Windham and Townsend to the north boundary of the County where it would connect with the Brant County Road, south of the Village of Scotland.

3.—Extension of Road No. 8 in Middleton northerly to King's Highway No. 3.

4.—A Road leading from Road No. 10 through the Village of Lyndoch to the townline between Charlotteville and North Walsingham, thence westerly across North Walsingham to Road No. 8.

Your Committee recommends that, providing these sections of road are adopted as a part of the County Road System, a sum of \$130,000.00 be expended thereon during the 5-year program.

The present basis of financing of the County Road System has been by Direct Taxation together with a Subsidy from the Province of Ontario equivalent to the amount raised by the County. This program has been based on this assumption and any increase of Subsidy by the Province or any Grant made by the Dominion Government would lower the Rate required to be raised by the County.

All of which is respectfully submitted.

Report of the Road Committee.

To the Warden and Members of the County Council of the County of Norfolk:

Gentlemen: Your Committee on County Roads begs leave to Report as follows:

All long Mulch Patches as provided for in the estimates have been completed with the exception of 4/10ths of a mile on Road 18. In the original estimates 14 miles of Long Patches were provided for, but due to further break-ups in the System it was necessary to do 16.75 miles of this type of work. The original estimate provided \$70,000.00 for the 14 miles. The total expenditure for the 16.75 miles was \$77,059.14. In addition to the above patches, 6/10ths of a mile of Stabilization Patch was laid, costing \$3,022.68. 18.85 miles of Retreatment were completed, at a cost of \$11,180.05.

100 miles of the County Road System was Sprayed with Atlacide for eradication of weeds, at a cost of \$3,654.25.

The total subsidizable expenditure to date is \$146,500.66.

The Lawsuit against the County in regard to an Accident which occurred on Road No. 8 on Big Creek Hill in April, 1941. was tried at the Fall Assizes. The case was dismissed with costs. The judgment stating that the County had done all it was required to do according to Law and had also done all in its power to keep the road safe for reasonable travel.

Your Committee recommend that a Resolution be passed and sent to the Hon. the Minister of Highways in regard to Accidents occurring on the Curve of Highway No. 3, west of the Town of Simcoe.

All of which is respectfully submitted.

C. W. SLAGHT, Chairman.
CLAUDE RAVIN,
ROBT. E. KELLY.

Report of the Reforestation Committee.

To the Warden and Members of the County Council of the County of Norfolk.

Gentlemen: We, your Reforestation Committee, beg leave to Report as follows:

The Description, Acreage and Planting of Plots are as follows:

Plot No. 1—BONNIE HEATH, north half of Lot 8, concession 12, Township of Townsend, 100 acres. 6,000 White Pine were planted. The Plantation is in excellent condition.

Plot No. 2—SHELLBURG, total of 111½ acres, east 3/8 or north half of lot 19, concession 8, 37½ acres; the south-east quarter of lot 19, concession 8, 24 acres; the west quarter of lot 20, concession 8, 30 acres; the east half of the north-west quarter, lot 20, concession 8, 20 acres; all in the Township of Charlotteville. Owing to the wet season no work was attempted.

Plot No. 3—TURNER, 100 acres, the west half of lot 8, concession 9, Charlotteville. 8,500 White Pine were planted. The property is in favorable condition.

Plot No. 4—DAVIS, 200 acres, lot 6, concession 8, Charlotteville. A total of 52,650 trees were planted including 16,000 Red Pine, 29,900 White Pine, 6,450 White Spruce and 300 Soft Maple. A great deal of work was accomplished in the way of cutting wood, underbrushing and burning brush, about 50 acres being cleaned up. All Black Oak and Poplar on this area was put into wood and the land spot planted. Much more of the same work is to be done.

Plot No. 5—SIPES, 100 acres, south half of lot 6, concession 10, Charlotteville. A part of the unsightly trees along the roadside were removed, fence row cleaned and brush burned. This plantation looks well.

Plot No. 6—MORDEN'S SCHOOL, 99 acres; south three-quarters of north half of lot 18, concession 5, 75 acres; and the north quarter of the north half of lot 18, concession 5, 25 acres (less one acre), all in the Township of South Walsingham. Fire guards were plowed and disced. Plantation in good condition.

Plot No. 7—SIMES', 66½ acres, the north part of lot 18, concession 6, South Walsingham. 9,000 White Pine and 800 White Ash were planted. The fireguards were all plowed and disced. Property in excellent condition.

Plot No. 8—SHELLY, 90 acres, the south-west quarter of lot 14, concession 13, 50 acres; and the north-west quarter of lot 14,

concession 13, 50 acres (less 10 acres); all in the Township of North Walsingham. Property in good condition.

Plot No. 9—GRAVEL PIT FARM, 100 acres, south-east part of lot 15, concession 14, North Walsingham. 2,500 Red Pine, 2,500 White Pine and 1,400 White Spruce were planted. Considerable work should be done in wood cutting and underbrushing preparatory to planting.

Plot No. 10—PAYNE, 100 acres, the north half of lot 11, concession 1, Charlotteville. This plantation is in excellent condition. Trimming should be done on some of the early plantings.

Plot No. 11—PART OF PAYNE PROPERTY, south 50 acres of lot 12, concession 2, Charlotteville. 7,000 White Pine and 4,725 White Spruce were planted. Property is looking well.

Plot No. 12—DE VOS, south 25 acres of the south half of the north half of lot 12, concession 13, North Walsingham. No work required. Property looks well.

Plot No. 13—UNGER'S SCHOOL, 50 acres, west half of lot 1, concession 1, Charlotteville. 2,000 White Pine, 1,000 White Spruce, and 13,000 Soft Maple were planted. The fireguards were plowed and worked up. Trees are making satisfactory growth though the Plot is very weedy.

Plot No. 14—JENNY LIND, south-west 60 acres of the north half of lot 10, concession 9, Charlotteville. 3,000 Red Pine, 700 Soft Maple, 800 White Ash and 1,300 Elm were planted. This is a very nice young Plantation.

Plot No. 15—TAIT, 67½ acres, part of lot 4, concession 2, South Walsingham. 2,000 White Pine, 26,000 Soft Maple, 1,500 White Ash and 500 Scotch Pine were planted. The north boundary of this Plot was fenced, using old fence from Plot number 9. Also the County's part of the line fence on the west was put up. The adjoining farm to the west should complete this portion as livestock is causing some damage to the Soft Maple. The two acres purchased from Mrs. Tait in 1941 has been cleared and planted.

Plot No. 16—WINTER (KNOWN AS THE BADEN POWELL PLOT), 100 acres, south half of lot 15, concession 3, South Walsingham. 3,500 White Pine, 500 White Spruce, 13,500 Soft Maple and 5,500 White Ash were planted. This Plantation is getting under way very well. Fireguards were all plowed. Some thinning of the Soft Maple at the north end of the property should be done.

| | |
|--|--------|
| TOTAL PLANTING—White Pine | 70,400 |
| Red Pine | 21,500 |
| Soft Maple | 53,500 |
| White Spruce | 14,075 |
| White Ash | 8,600 |
| Elm | 1,300 |
| Scotch Pine | 500 |

TOTAL NUMBER of Trees Planted 169,875

The expenditure for the year as of December 2nd was \$3,478.16; the receipts being \$2,687.72. Three hundred and sixty-seven cords of wood were cut and disposed of. There is \$1,350.00 worth of wood on hand.

We have raised the Pay of the Foremen to 45c per hour, and the Labour to 40c per hour.

We, the Committee, would recommend for future consideration as follows:

That any transactions of consequence be made in writing and a copy filed with the Clerk.

That the work of cutting fuel wood, such as is unsuitable for lumber, be carried on as fast as possible and the underbrush cleared and burned as is being done on Plot No. 4, and the work extended to other Plots when time permits, to alleviate the fuel shortage.

That the Committee be instructed to Advertise for Tenders on the White Pine on Plot No. 1, Bonnie Heath.

That consideration be given to the planting of 25 acres to Scotch Pine and White Spruce on Plot No. 4, Davis property.

All of which is respectfully submitted.

W. L. PELTON, Chairman.

EDWIN HILL,

GEO. L. WOODLEY.

Report of The Committee of The Whole.

To the Warden and Members of the County Council of the County of Norfolk:

Gentlemen: Your Committee of the Whole begs leave to Report the following:

That we pay the Hospital Bill of Delhi Patients and charge Delhi for the same.

That the Report of the Reforestation Committee be adopted as amended.

That the Resolution from the Simcoe County Council re the purchase of Small Seeds be endorsed.

All of which is respectfully submitted.

CLAUDE RAVIN, Chairman.
